**Covered drugs**

- Must be drugs in the current formulary approved by Health First Health Plans.
- Drugs, medicine or medication that, under Federal or state law, may be dispensed only by prescription from a participating physician or his/her authorized representative.
- Certain drugs require proof of medical necessity and prior approval by Health First Health Plans. See Formulary (drug list) for details.
- Must be prescribed by a participating physician for the treatment of an injury of sickness.
- Must be dispensed by a pharmacist or prescribing professional.
- Includes prescription refills.
- Are limited to a maximum 90-day supply per prescription

**Exclusions**

- Prescription Drugs not on the current preferred drug list/formulary.
- Drugs that do not, by Federal or state law, require a prescription (i.e., over-the-counter drugs).
- Any legend drug for which an over-the-counter equivalent is available without a prescription (i.e., Lotrimin).
- Any drug labeled “Caution: limited by federal law to investigational use” or experimental drugs.
- Any medication that is consumed or administered at the place it is dispensed.
- Drugs for which the recipient is not charged.
- Prescription drugs for which benefits are paid under workers’ compensation or any other similar law, whether benefits are payable for all or only part of the charges.
- Prescription drugs for procedures and services which are not a covered service.
- Prescription orders filled prior to the effective date or after the termination date of coverage.
- Replacement of lost or damaged prescriptions.
- Drugs not approved by the Food and Drug Administration (FDA) under the Federal Food, Drug, and Cosmetic Law and regulations.
- All new drugs approved by the FDA will be excluded from the preferred drug list/formulary unless Health First Health Plans’ Pharmacy and Technology Committee, in its sole discretion, decides to waive this exclusion with respect to a particular drug.
- Refills in excess of the amount specified by the Participating Physician, refills filled prior to 75% of the prescription having been consumed, or any refill dispensed after one (1) year from the order of the participating physician.
